*4 seasons in a year. I can name all 4 do you
wanna hear?
Let's get ready and say them all
Winter, Spring, Summer and Fall.
I'm thinking of a season with snowmen and ice
And if you like sledding, it's very nice.
It's really cold I need my hat and gloves
Winter is the season I was thinking of!
I'm thinking of a season where it rains for hours
Which helps the blooming of the brand new
flowers.
It starts to warm up which I really love
Spring is the season I was thinking of!
Now remind me how many seasons there are boys
and girls...
4 seasons in a year
I can name all 4 do you wanna hear?
Let's get ready and say them all
Winter, Spring, Summer and Fall.*

*I'm thinking of a season where we don't have
school
I always play outside in my neighbors pool.
The sun is so hot which I really love
Summer is the season I was thinking of!
I'm thinking of a season where I rake for a while
Then I jump into those colored leaves in a big
pile!
I pick apples and wear sweatshirts which I really
love!
Fall is the season I was thinking of!
And how many seasons are in a year boys and
girls?
4 seasons in a year
I can name all 4 do you wanna hear?
Let's get ready and say them all
Winter, Spring, Summer and Fall.*

*Spring is here.
Spring is here.
How do you think I know?
I just saw a bluebird.
That is how I know.
Spring is here.
Spring is here.
How do you think we know?
We just saw a bluebird that is how we know.
Do the bird walk and strut your thing.
Do the bird walk and flap your wings.
Do the bird walk do anything and look around for another sign
of spring.*
